

HOW IT WORKS

Complete the attached Registration Form or the online form for your agency and submit to Healthcare Provider Solutions. Registered locations will be sent an email confirmation within 48 hours, with a web link provided for webcasting registrants and dial-in information and PIN code for audio conference registrants, including handout materials and/or resources.

On the day of the conference, audio conference participants simply join the call by dialing the toll-free number and giving your agency name and PIN code.

If participating via the webcasting format, download and print handouts provided in email and click on the link! It's that easy! **You will also have 60-day free access after each date to access again!**

PLEASE NOTE: Registration fees are based on each dial-in connection; multiple call-ins from your agency will be charged. We are unable to accommodate more than one agency per call-in.
