## FACULTY

### Melinda Gaboury

Gaboury is co-founder and Chief Executive Officer of Healthcare Provider Solutions, Inc. (HPS). Melinda Gaboury and Mark Cannon founded the company in April 2001 to provide financial, reimbursement, clinical and cost reporting services to home health agencies and hospice.

Prior to the inception of Medicare PPS Gaboury began researching, auditing and review processes with OASIS, ICD-9 Coding and clinical documentation. She has developed and taught clinician and billing Medicare PPS Training Workshops in a variety of venues. Gaboury's priority remains bridging the gap between clinical and financial issues in home health agencies. The one unique thing that Gaboury brings to the home health field is the development of very effective OASIS Education while being able to also teach the reimbursement aspect and how they are directly related.

Gaboury has been a speaker for several state home care associations. She is also actively conducting OASIS and Billing Seminars throughout the country. In addition to her speaking engagements and consulting, she is author of *Home Health Pocket Guide to OASIS-C*.
